Homeowner and Senior Citizen Exemptions

Exemptions reduce the Equalized Assessed Value (EAV) of a property by a specific amount; the actual tax savings depends upon the tax rate for a specific property. The most common exemptions for homeowners are described below. If you have further questions, please contact the **Kane County Assessment Office** at **630-208-3818**.

General Homestead Exemption

The General Homestead Exemption reduces the EAV by the amount of the exemption. For the 2007 tax assessment year, the reduction is \$5,000. This will increase to \$5,500 for 2008, and \$6,000 in 2009. The property must be the principal residence of the owner. Exemptions may also be available for cooperatives and qualified life-care facilities. You must apply for the exemption with the County Assessment Office. Applications are available at www.co.kane.il.us/soa/forms.htm or you can call 630-208-3818 and one will be mailed to you.

Home Improvement Exemption

The Home Improvement Exemption reduces the EAV attributable to the improvement for four years based on the Fair Cash Value (up to \$75,000) of the improvement. The property must be the principal residence of the owner and have new improvements (such as an addition, patio, or deck) that increase the value of the property. You need not file an application. Your Township Assessor will certify the amount to the County Assessment Office. If you have any questions, contact your Township Assessor.

Senior Citizen Exemption

The Senior Citizen Exemption reduces the EAV by the amount of the exemption. For the 2007 tax assessment year, the reduction is \$3,500. This will increase to \$4,000 for 2008. The property must be the principal residence of the owner, who must be age 65 or older by December 31 of the tax assessment year. Exemptions may also be available for cooperatives and qualified life-care facilities. You must apply for the exemption with the County Assessment Office. Applications are

available at www.co.kane.il.us/soa/forms.htm or you can call 630-208-3818 and one will be mailed to you. After the initial application is approved, you will be mailed a renewal form each subsequent year.

Senior Assessment Freeze

This exemption effectively freezes your assessment at a base year causing your net assessment not to increase. This does not freeze your taxes, only your assessment. The property must be the principal residence of the owner for the beginning of two consecutive years, and the owner must be age 65 or older by December 31 of the tax assessment year and meet certain household income requirements. The maximum household income for this exemption is \$50,000 in the 2007 tax assessment year, increasing to \$55,000 in 2008. You must apply for the exemption with the County Assessment Office. Applications are available at www.co.kane.il.us/soa/forms.htm or you can call 630-208-3818 and one will be mailed to you. After the initial application is approved, you will be mailed a renewal form each subsequent year.

Note: Neither the Senior Citizen Exemption nor the Senior Citizen Assessment Freeze Exemption requires the repayment of the reduced tax amount.

Other Exemptions

The **Returning Veterans' Exemption** is a \$5,000 reduction in EAV for veteran homeowners in the year they return from an armed conflict. The **Disabled Veterans' Standard Exemption** is a reduction in EAV up to \$5,000 for veteran homeowners with service-connected disabilities. The **Disabled Veterans' Exemption** is a reduction in EAV up to \$70,000 for veteran homeowners with service-connected disabilities who require Specially Adapted Housing. Senior Citizen Real Estate Tax Deferral Program

The Senior Citizen Real Estate Tax Deferral Program provides tax relief for qualified senior citizens age 65 and over with a total household income of not more than \$50,000 per year. The program allows them to defer all or part of their property taxes and special assessment payments on their principal residence. The deferral is similar to a loan against the property's market value. Deferred amounts are borrowed from the state, which pays the tax bill. A six percent simple interest rate is charged on the deferred amount and a lien is filed on the property. Interest is charged for each year that the deferred amount is carried. Deferred amounts must be repaid within one year of the taxpayer's death or 90 days after the property is sold, transferred, or otherwise no longer qualifies for the program. For more information, or to apply for the program, call the **Office of the Kane County Treasurer** at **630-232-3565** or go to www.co.kane.il.us/treasurer/.

Circuit Breaker Tax Grant

The Circuit Breaker Tax Grant Program provides grants to income-eligible senior citizens age 65 and over, and persons with disabilities, to help them reduce the impact of property taxes. Grant amounts are based on a formula using the amount of property tax or mobile home tax for their place of residence and total income. Grants for renters and nursing, retirement or shelter care home residents is figured using a percentage of the amount paid in rent or nursing home charges. For more information, or to apply for the program, call the **Illinois Department on Aging** at **1-800-624-2459** (be sure to have your Social Security Number handy when you call) or go to www.cbrx.il.gov/aging/1rx/cbrx/cbrx-main.htm.
