COMPLETELY AND RETURN IT TO THE
CARPENTERSVILLE FIRE DEPARTMENT BY
April 26th 2019, AT FIRE STATION #91 @ 213
SPRING ST.**

Dear Friend:

Have you ever wondered what the Carpentersville Fire Department is all about? Have you ever asked yourself why firefighters do the things they do and take the risks they take? Are you curious to see how you would react in an emergency situation? Do you like physical challenges and reaching new highs? If so, then the Citizens Fire Operations Academy is for you!

Every year thousands of school children visit the Carpentersville Fire Department and ask many of these same questions. Often times the adults who accompany them state that they wish they knew more about fire safety. The members of the Carpentersville Fire Department would like to inform the citizens about how their Fire Department works.

The Carpentersville Fire Department would like to extend a very special invitation to participate in our Citizen Fire Operations class. We are seeking citizens who will go back to their schools, organizations, businesses, and neighborhoods and relay the information they acquire. Our goal is to teach participants cardiopulmonary resuscitation, first aid, fire safety, fire prevention, and most of all, the tactics and strategies of firefighting. We will discuss all fire department responsibilities from fire prevention and public education to fire suppression and the operations of our technical operations teams.

If you are at least 18 years of age and feel you can spare 3 hours a week from 6:00 P.M. to 9:00 P.M. on most Thursday evenings from May 1st to June 12th 2019, then get ready for an exciting adventure into the world of fire safety and emergency services. We have enclosed an application and class schedule. If you are unable to attend, please feel free to pass the information on to another member of your organization or family.

If you have any questions, please contact:
Firefighter Tony Ferreiro at tferreiro@cville.org
Sincerely,
J.P. Schilling Fire Chief

OVERVIEW OF THE CARPENTERSVILLE FIRE DEPARTMENT CITIZEN FIRE OPS ACADEMY

INTRODUCTION

The Carpentersville Fire Department Citizen Fire Academy includes approximately 21 hours of instruction. Class sessions are approximately 3 hours in length and are held at Fire Station #93, 5000 Sleepy Hollow rd. Some classes are held in other locations based on the specific topic for 7 weeks.

The Academy will conclude with a graduation ceremony at the Village Hall before the Mayor and Trustees. Graduating students will receive a certificate of completion from the Carpentersville Fire Department and the Village of Carpentersville.

OBJECTIVES

- To better inform the residents of Carpentersville as to the purpose and operations of your Fire Department.
- To discover what diverse services the Fire Department offers our community.
- To encourage citizens to return to their neighborhoods, organizations and friends and relay to the proper procedures to use to become more safety-conscious citizens.
- To provide an interactive forum for both the Fire Department and the citizens of the academy.

ANTICIPATED BENEFITS

- The opportunity to receive basic CPR instruction and fundamental knowledge in first aid procedures.
- The opportunity to be able to react in a positive manner should some type of fire or medical emergency arise.
- An increased awareness and knowledge to keep your home and workplace accident free.
- A better understanding of why and how the Fire Department operates in an emergency.
- The opportunity to interact and address community concerns relative to the Fire Department.

INSTRUCTORS

All class instructors are members of the Carpentersville Fire Department and are committed to providing appropriate information to all participants in the Fire Academy. All instructors are Certified State of Illinois Advanced Firefighter's & Paramedics. Members of the department will be available to class participants during the Academy to answer questions or demonstrate various techniques.

CLASS SIZE/SELECTION OF PARTICIPANTS

Each session will average 10-12 participants. A larger group inhibits frequent interaction between participants and instructors. **SAFETY** is of the utmost concern, and limiting participants allows for a safer learning environment.

Citizens are selected based on demographics and the citizen's ability to reach other members in their community. In preparing for each academy, efforts will be made to include members of the educational, religious, business and ethnic communities, as well as media representatives. Final selection of participants rests with Fire Department Administration. Participants will be contacted to ensure they are familiar with the program and the time commitment involved.

MEASURING THE ACADEMY'S SUCCESS

In order to keep the program informative and interesting, participants are encouraged to critique the program throughout its entirety. Enhancements to the program will be implemented as a result of the feedback received from the participants.

Students are encouraged to participate in all practical demonstrations and to interact with the instructors and one another.

IT IS IMPERATIVE FOR THE PARTICIPANTS TO REALIZE THAT THE CITIZEN FIRE ACADEMY IS A LEARNING EXPERIENCE TO HELP THEM BETTER HANDLE THEMSELVES IN EMERGENCY SITUATIONS. IT IS NOT INTENDED TO TRAIN THEM AS FIREFIGHTERS OR ASSISTANTS AT A FIRE.

CARPENTERSVILLE FIRE DEPARTMENT CITIZEN FIRE ACADEMY

MISSION STATEMENT

The mission of the Citizen Fire Academy is to create a well-informed cross section of citizens from our community by describing the emergency services offered by the Carpentersville Fire Department. The instructors will provide this information to the public through a series of classroom courses and practical demonstrations. The course content will expose the very nature of firefighting and rescue along with the dangers and benefits they hold.

Those who participate will become familiar with the broad background of knowledge and skill necessary to be a member of the Carpentersville Fire Department.

VILLAGE OF CARPENTERSVILLE
FIRE DEPARTMENT
RELEASE AND COVENANT NOT TO SUE

In exchange for the opportunity to observe and participate in the authorized operations of the Village of Carpentersville Fire Department, which activity may place me in a position of danger, the undersigned agrees to:

- 1) Release and waive any and all claims, causes of action, or other means of legal recourse that the undersigned may have against the Village of Carpentersville agents, and employees that may arise from or be caused by my participation in the authorized operations of either department;
- 2) Indemnify, hold harmless, and defend the Village of Carpentersville and its officials, agents, and employees for any and all claims, causes of action, or other means of legal recourse that may arise from or be caused by my participation in the authorized operations;
- 3) Covenant not to sue the Village of Carpentersville and its officials, agents, and employees for damages that may arise from or be caused by my participation in the authorized operations.

By signing this document, the undersigned acknowledges that he or she is not and will not be acting as an employee or agent of the Village of Carpentersville and is specifically waiving, in addition to the waiver set forth above, any right to Workers compensation benefits. The undersigned further acknowledges that the release, waiver, hold harmless, and covenant not to sue shall be binding on the undersigned's heirs and personal representative. The undersigned further acknowledges that permission to observe and participate in authorized operations is terminable at the will of any Village official, agent, or employee without notice or formal process and that this release and hold harmless shall be applicable whenever the undersigned is observing or participating in authorized operations.

The undersigned acknowledges that the execution of this release is done as a free and voluntary act.
