The Leased Property is depicted in Exhibit D.

### ARTICLE 4 - TERM

Tenant shall have and hold the Leased Property, and such related uses of the Premises as may be described in this Lease, for the Term, unless sooner terminated as hereinafter provided.

### ARTICLE 5 - RENT

5.3 Effective after the first Rent payment following the Commencement Date, Tenant shall pay to Landlord a late payment charge equal to five percent of the total amount due for any rent not paid within fifteen days after the date on which such rent is due.

### ARTICLE 6 - TAXES

6.1 The Taxes on the Leased Property shall be either:

(a) the actual Taxes if the Leased Property is a separate tax parcel; or

- (b) if the Leased Property is not a separate tax parcel, the Tenant's Proportionate Share of the amount of the Taxes included in the tax statement(s) that includes the Premises.

6.2 In the event that this Lease results in the partial or total loss of the Premises' exemption from Taxes, Tenant shall be responsible for the payment of Tenant's Proportionate Share of all Taxes assessed against the Premises that include the Leased Property:

- (a) If the Leased Property is a separate tax parcel, Tenant shall pay the full amount of all Taxes assessed thereon to the Governmental Agency.
- (b) If the Leased Property is not a separate tax parcel, Tenant shall pay to Landlord, an amount equal to Tenant's Proportional Share of the Taxes assessed on the Premises, within forty-five (45) days of receipt of a bill from Landlord.
- (c) Notwithstanding the foregoing, Tenant shall not have the obligation to pay any tax, assessment, or charge that Tenant is disputing in good faith in appropriate proceedings prior to a final determination that such tax is properly assessed provided that no lien attaches to the Property. Tenant shall have the right, at its sole option and at its sole cost and expense, to appeal, challenge or seek modification of any tax assessment or billing for which Tenant is wholly or partly responsible for payment. Landlord shall reasonably cooperate with Tenant at Tenant's expense in filing, prosecuting and perfecting any appeal or challenge to taxes as set forth in the preceding sentence, including but not limited to, executing any consent, appeal or other similar document. In the event that as a result of any appeal or challenge by Tenant, there is a reduction, credit or repayment received by the Landlord for any taxes previously paid by Tenant, Landlord agrees to promptly reimburse to Tenant the amount of said reduction, credit or repayment. In the event that Tenant does not have the standing rights to pursue a good faith and reasonable dispute of any taxes under this paragraph, Landlord will pursue such dispute at Tenant's sole cost and expense upon written request of Landlord.

6.3 Tenant shall be solely responsible for, and shall timely pay, all personal property taxes levied and assessed, if any, against Tenant or Tenant's personal property.

6.4 Tenant shall be solely responsible for all costs and expenses attributable to any divisions, consolidations, or other applications and relief relating to Taxes that result from this Lease or Tenant's use of the Leased Property and the Premises. Tenant shall reimburse Landlord for Tenant's Proportionate Share of any costs and expenses, including attorneys' fees, incurred by Landlord in connection with such matters.

#### ARTICLE 7 - USE

7.1 Prior to commencing the Intended Use, Tenant shall, at its sole cost and expense, obtain any and all Governmental Approvals and Other Approvals that may be

required in connection with the use of the Leased Property for the Intended Use. Landlord shall cooperate with Tenant in its effort to obtain such approvals. Tenant shall, within 45 days after receipt of an invoice therefor, reimburse Landlord for up to \$5,150.00 of the actual and reasonable costs and expenses incurred by Landlord in connection with any reviews or inspections performed by Landlord in connection with such Governmental Approvals and Other Approvals.

7.2 Tenant shall have the right during the Term to use the Leased Property for the Intended Use; provided, however, that Tenant shall not use the Leased Property in any manner that interferes with or disturbs the use of the Premises: (a) by Landlord for any lawful purpose; or (b) by a Co-Tenant for any lawful use authorized under Landlord's lease with Co-Tenant which existed prior to the Commencement Date of this Lease.

#### ARTICLE 8 - QUIET ENJOYMENT; CO-TENANTS

8.1 Tenant recognizes that Landlord has the right to, and may from time to time, lease a portion of the Premises to Co-Tenants; provided, however, that Landlord shall not permit any such Co-Tenants who currently have or in the future take possession of the Premises to install equipment which causes physical or technological interference with Tenant's then existing equipment.

8.2 Tenant recognizes, acknowledges and agrees that the primary purpose of Landlord's ownership and use of the Tower and the Premises is for the public purposes of providing a reliable and continuous source of potable water within and without Landlord's corporate limits, and providing public safety communications in connection with the provision of public safety services by Landlord and other Governmental Agencies. Tenant understands and agrees that its Intended Use of the Leased Property and the Premises may, from time to time, be disrupted and disturbed due to Landlord's obligation to provide potable water and such other services, including emergency situations as determined by Landlord, and Tenant agrees to cooperate with Landlord in Landlord's provision of such services; provided, however, that Tenant shall be permitted to install and operate a temporary communications facility at the Tenant's own expense on the Premises in the event Landlord's provision of such services causes a material interruption of Tenant's operations at the Leased Property, which facility may be only installed in accordance with zoning, building and other applicable laws. If Landlord shall require Tenant to temporarily relocate the Antenna Facilities in order for Landlord to perform maintenance, repair, or similar work on the Tower, Landlord shall provide Tenant with at least ninety (90) days' written notice prior to requiring Tenant to relocate, and Tenant shall have the right to install and operate a temporary communications facility on the Premises in a location that is fully compatible for Tenant's use, in Tenant's reasonable discretion, and is similar to Tenant's existing location in size. Upon completion of any maintenance, repair or similar work by Landlord, Tenant shall be permitted to return to its original location on the Tower. Tenant shall bear the full cost and expense of any such relocation.

8.3 Subject to the other terms and provisions of this Article, Landlord covenants and agrees that upon: (a) payment by Tenant of Rent as set forth in Article 5 of this Lease; and (b) performance by Tenant of all terms, covenants and conditions of this Lease applicable to Tenant, Tenant shall peaceably and quietly hold and enjoy the Leased Property and the rights and privileges granted for the Term demised without

hindrance or interference by Landlord, and Landlord shall perform all of its obligations under this Lease.

8.4 In the event that: (a) Tenant's use of the Leased Property for the Intended Use is interfered with or disturbed by a Co-Tenant or an officer, agent, employee or contractor of, or other Entity acting on behalf of, a Co-Tenant; or (b) any property of Tenant's located on the Premises is damaged by a Co-Tenant or an officer, agent, employee or contractor of, or other Entity acting on behalf of, a Co-Tenant, Tenant shall make any claim for such interference, disturbance or damage directly against such Co-Tenant and shall neither have nor make any claim therefor against Landlord, unless such interference, disturbance, or damage is caused in part by the actions of Landlord, its agents, employees, or contractors. Notwithstanding the foregoing, Landlord shall reasonably cooperate with Tenant to resolve such interference, disturbance or damage. Tenant shall provide a copy of any notice by Tenant to a Co-Tenant of such claim. The provisions in Article 14 of this Lease shall include all claims among Tenant and any Co-Tenants. Landlord shall include this Section 8.4 in all leases with Co-Tenants executed after the Commencement Date.

#### ARTICLE 9 - UTILITIES

From the Commencement Date and continuing throughout the Term:

- (a) Tenant shall be responsible for obtaining any utility services for the Leased Property that it desires.
- (b) Tenant's use and consumption of any utility services upon the Premises shall be separately metered, at Tenant's cost and expense, from that of Landlord and all Co-Tenants and other occupants of the Premises.
- (c) Tenant shall be responsible for, and shall pay promptly, all charges for utility services used or consumed by Tenant on the Premises.

#### ARTICLE 10 - ACCESS

Tenant and its authorized representatives shall have the right to enter the Leased Property upon 24 hours' notice to Landlord; provided, however, that notice to Landlord shall not be required for Tenant to access Tenant's Equipment Building Space in the event of a bona fide emergency as determined by Tenant's sole discretion. Landlord and its agents shall have the right to enter Tenant's Equipment Building Space for the purpose of examining and inspecting, upon 24 hours' notice to Tenant; provided, however, that prior notice to Tenant shall not be required in the event of a bona fide emergency, but Landlord shall provide written notice to Tenant within seven (7) days after such emergency if Landlord enters Tenant's Equipment Building Space. Landlord and its agents shall have the unrestricted right to enter the Premises and access the Tower for operating, maintaining, testing, repairing, and replacing the Tower and the Premises at any time without notice to Tenant; provided, however, that Landlord shall give Tenant twenty-four (24) hours' telephonic notice to (800) 224-6620 in the event Landlord intends to access Tenant's Tower Space.

## ARTICLE 11 - PROPERTY IN OR UPON LEASED PROPERTY

All facilities, equipment and property of any nature that may be installed or placed in or upon the Leased Property by Tenant shall remain the property of Tenant. Landlord waives any right it may have in said facilities, equipment and property. Tenant may assign, lien, encumber, mortgage or create a security interest in or upon its facilities, equipment or other property in or upon the Leased Property without the consent of Landlord; provided, however, that Tenant may not assign, lien, encumber, mortgage or create a security interest in any facilities, equipment or property of the Landlord, including the Tower and the Premises.

## ARTICLE 12 - MAINTENANCE

12.1 Tenant shall, at its sole cost and expense, maintain the Antenna Facilities and all of its improvements, equipment and other personal property located upon or within the Leased Property in good condition and repair. Tenant shall keep the Leased Property free of debris and free of any dangerous, noxious, hazardous or offensive condition.

12.2 Tenant shall maintain the Equipment Building in good condition and repair, and at its sole cost and expense.

12.3 Tenant shall paint the Equipment Building and the Antenna Facilities in a color that matches, as closely as possible, the paint color of the Tower.

## ARTICLE 13 - IMPROVEMENTS

13.1 The Antenna Facilities installed on the Leased Property shall conform with the plans shown in Exhibit A. No change in or modification to the Antenna Facilities that is not in conformance with Exhibit A shall be made by Tenant without an amendment to this Lease in the manner provided in Article 28 of the Lease.

13.2 Tenant intends to install an emergency power generator ("Generator") inside the Equipment Building Space. In conjunction with the construction and initial installation of its Antenna Facilities at the Premises, Tenant shall, at its sole expense, install certain equipment within the base of the Tower and the wiring necessary to connect Tenant's Generator thereto ("Generator Sharing Equipment"), as depicted in Exhibit G, for Landlord's use. In the event of an emergency power outage in which Tenant has turned on and is operating its Generator, Landlord shall be permitted to also draw power from the Generator. In such event, Landlord may draw up to 5 kW of power from the Generator without Tenant's prior written consent, which consent may be withheld at Tenant's sole discretion and may be conditioned upon receipt by Tenant of additional compensation. If Landlord modifies the Generator Sharing Equipment, uses the Generator on an unauthorized occasion, or installs equipment which draws power in excess of the kW limitation contained in this paragraph without Tenant's consent, or otherwise exceeds such kW limitation, Landlord shall be responsible for bearing all costs and losses incurred by Tenant resulting therefrom, without limitation. Landlord accepts the Generator Sharing Equipment in as-is condition. Tenant shall maintain its Generator in good working condition, but shall have no obligation to maintain the Generator Sharing Equipment after its initial installation. Landlord shall have no right to access the Generator unless accompanied by a duly authorized agent of Tenant. Tenant expressly disclaims any express or implied warranty or representation that the Generator Sharing Equipment will be suitable for Landlord's purposes. Landlord agrees to indemnify Tenant against and hold it harmless from all claims, damages, or

causes of action which may be attributable to any power failures, or destruction or damage to the Premises which arise from Landlord's use of the Generator Sharing Equipment, except to the extent such claims or damages arise from the sole negligence or willful misconduct of Tenant. Tenant reserves the right to terminate the connection between its Generator and the Generator Sharing Equipment if it determines, in its sole discretion, that such connection or Landlord's use of the Generator Sharing Equipment is causing interference with Tenant's permitted use of the Premises under this Lease.

#### ARTICLE 14 - INDEMNIFICATION

Tenant shall indemnify, save harmless, and defend Landlord, its boards, committees, commissions, officers, agents and employees, against any and all lawsuits, claims, demands, damages, liabilities, losses, and expenses, including reasonable attorneys' fees and administrative expenses, that may arise or be alleged to have arisen, out of or in connection with the existence of this lease or any act or omission of Tenant whether or not due or claimed to be due in whole or in part to the active, passive, or concurrent negligence or fault of tenant, except to the extent caused by the sole negligence or willful and wanton acts or omissions of Landlord or its employees, contractors or agents.

#### ARTICLE 15 - INSURANCE

15.1 Tenant shall maintain insurance on any of its property located on the Premises as it may deem reasonable and necessary. Landlord shall have no liability for damage, destruction or loss to such property.

15.2 Tenant shall maintain, at its sole cost and expense, throughout the Term, the following policies of insurance issued by a company with at least an "A" rating from the most recently published *A.M. Best and Company Guide* and authorized to do business in the State of Illinois:

- (a) Commercial General liability insurance with a limit of \$5,000,000 per occurrence for bodily injury and property damage and \$5,000,000 general aggregate including personal and advertising injury, insuring Tenant against liability arising out of the use of the Leased Premises by Tenant.
- (b) Commercial Automobile liability insurance covering all owned, non-owned and hired vehicles, with a combined single limit of \$2 million each accident for bodily injury and property damage.
- (c) Workers' compensation insurance, in compliance with the statutory requirements of the state of operations, and employees' liability insurance in the amount of \$1 million each accident/disease/policy limit.

With respect to all insurance policies required to be maintained by Tenant pursuant to this Lease:

- (d) Excluding workers compensation and employer's liability, the following parties shall be included as additional insured as their interest may appear:

Site Name: Randall & Huntley  
Atty: GJ

The Village of Carpentersville and its boards, committees, commissions, officers, and employees.

(e) The policy shall contain the following endorsement:

"The insurer shall give the Village of Carpentersville at least sixty days prior written notice of any intention to cancel, such notice to be given by certified mail, return receipt requested, addressed to: Village Manager, Village of Carpentersville, 1200 L.W. Besinger Drive, Carpentersville, IL 60110

Tenant shall send a certificate of insurance for each such policy to Landlord annually and any time a new policy is issued.

15.3 Landlord shall, at its own cost and expense, at all times throughout the Term carry all-risk property insurance for or properly self-insure the Equipment Building.

#### ARTICLE 16 - EMINENT DOMAIN

In the event that all or substantially all of the Premises shall be taken by any Governmental Agency or utility that has the power of eminent domain, then Tenant shall have the right to terminate this Lease within 60 days thereafter. Each party shall have the right to maintain its own respective action against the condemning authority for its respective damages and neither party shall have any interest in any award granted to the other.

#### ARTICLE 17 - ENVIRONMENTAL COMPLIANCE

17.1 Tenant shall, at Tenant's sole cost and expense, comply with all Environmental Laws pertaining to Tenant's operations on the Premises.

17.2 Tenant shall not cause or permit any Hazardous Substance to be brought, kept, stored or used in or about the Premises; provided, however, that Tenant may use batteries or a temporary generator to provide power for the Antenna Facilities in the event of a bona fide emergency, so long as such power source, and its operation and use, complies with all Environmental Laws.

17.3 If Tenant causes or permits any Hazardous Substance to be brought, kept, stored or used in or about the Premises and such violation results in the contamination of the Premises, Tenant shall indemnify, save harmless and defend Landlord, and its boards, committees, commissions, officers, agents and employees, against any and all lawsuits, claims, demands, damages, liabilities, losses, and expenses, including attorneys' fees and administrative expenses that may arise, or be alleged to have arisen, out of or in connection with Tenant's acts or omissions in connection with such Hazardous Substance, except to the extent caused by the sole negligence or willful and wanton acts or omissions of Landlord or its employees, contractors or agents.

17.4 Tenant represents, covenants and warrants that Tenant's operations in, on or under the Premises shall be in compliance with all applicable Environmental Laws.

## ARTICLE 18 - ASSIGNMENT AND SUBLETTING

Tenant shall not assign this Lease, in whole or in part, or sublet all or any part of the Leased Property, without the express written consent of Landlord, except that this Lease may be sold, assigned or transferred by Tenant without any approval or consent of Landlord to Tenant's principal, affiliates, subsidiaries of its principal or to any entity which acquires all or substantially all of Tenant's assets in the market defined by the Federal Communications Commission in which the Premises is located by reason of a merger, acquisition or other business reorganization. Any assignment or subletting in violation of this Article 18 shall, at Landlord's option, be deemed to be void and of no force or effect. Notwithstanding any assignment or subletting, Tenant shall remain fully liable on this Lease and shall not be released from performing any of the terms, covenants or conditions of this Lease.

## ARTICLE 19 - DEFAULT

19.1 Tenant shall be in default of this Lease if Tenant shall:

(a) fail to pay, when due, any Rent or any other sums due and payable hereunder within 15 days after receipt of written notice from Landlord to Tenant specifying the amount and details of unpaid Rent or other sums due hereunder; or

(b) breaches any other covenant or condition of this Lease and does not cure such other default within 30 days after receipt of written notice from Landlord specifying the default complained of (provided that if such default is not reasonably susceptible of cure within said thirty day period and if Tenant is diligently and continuously pursuing such cure to completion then such cure period may be extended as necessary given the nature of the cure);

(c) if Tenant ceases to operate or use the Leased Property for its Intended Use for a period of two (2) years, in which case the Leased Property shall be deemed abandoned upon written notice from Landlord to Tenant;

(d) if Tenant is adjudicated as bankrupt or makes an assignment for the benefit of creditors; or

(e) if Tenant becomes legally insolvent.

19.2 In the event of a default as described above, Landlord shall have the right, at its option, in addition to and not exclusive of any other remedy Landlord may have in law or equity with only such further demand or notice as may be required by applicable law, to (a) re-enter the Leased Property, and/or (b) eject all persons therefrom, and declare this Lease at an end, in which event Tenant shall immediately remove the Antenna Facilities and pay Landlord a sum of money equal to the total of: (i) the amount of the unpaid Rent accrued through the date of termination; and (ii) any other reasonable amount necessary to compensate Landlord for all detriment directly and proximately caused by Tenant's failure to perform its obligation under the Lease. No re-entry and taking of possession of the Leased Property by Landlord shall be construed as an election on Landlord's part to terminate this Lease, regardless of the extent of renovations and alterations by Landlord, unless either a written notice of such intention

is given to Tenant by Landlord, or the Village's re-entry causes an ongoing interruption of Tenant's operations at the Leased Property.

19.3 Landlord shall be in default of this Lease if Landlord shall breach any of its covenants contained in this Lease and does not cure such other default within 30 days after notice from Tenant specifying the default complained of (provided that if such default is not reasonably susceptible of cure within said 30 day period and if Landlord is diligently and continuously pursuing such cure to completion then such cure period may be extended by up to 90 additional days). Notwithstanding the foregoing to the contrary, it shall be a default under this Lease if Landlord fails, within five (5) days after receipt of written notice to perform an obligation required to be performed by Landlord under this Lease, if the failure to perform such an obligation physically or technologically interferes with Tenant's operations at the Leased Property.

19.4 In the event of a default by Landlord as described above, Tenant shall have the right, at its option, in addition to and not exclusive of any other remedy Tenant may have in law or equity with only such further demand or notice as may be required by applicable law, and in consultation with the Village, to take either of the following actions: (i) perform Landlord's duty or obligation on Landlord's behalf, in which case the costs and expenses of any such performance shall be due and payable to Tenant by Landlord upon receipt of an invoice therefor, or (ii) terminate this Lease.

#### ARTICLE 20 - FORCE MAJEURE

Except as otherwise expressly set forth herein, in the event either party hereto shall be delayed or hindered in, or prevented from, the performance of any act required hereunder by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive laws or regulations of Governmental Agencies, riots, insurrection, war or other reasons of a like nature not the fault of the party delayed in doing acts required under the terms, covenants and conditions of this Lease (all of such reasons or causes referred to in this Lease as *Force Majeure*), then performance of such acts shall be excused for the period of the delay and the period of the performance of any such act shall be extended for a period equivalent to the period of such delay.

#### ARTICLE 21 - EVIDENCE OF LEASE

Concurrent with the execution of this Lease, Landlord and Tenant shall execute an evidence of this Lease for recording, substantially in the form of Exhibit F (*Evidence of Lease*). The cost of recording the Evidence of Lease shall be paid by Tenant. In the event of a significant change to the terms, covenants and conditions of this Lease, as determined by agreement of the parties, Landlord and Tenant shall execute and record a new or amended and restated Evidence of Lease stating such changed terms.

#### ARTICLE 22 - ESTOPPEL CERTIFICATE

Upon notice from either Landlord or Tenant to the other party, such other party shall, within thirty (30) days of receipt of such notice, execute and deliver to the requesting party, without charge, a written statement:

- (a) ratifying this Lease;

- (b) certifying that this Lease is in full force and effect, if such is the case, and has not been modified, assigned, supplemented or amended, except by such writings as shall be stated;
- (c) certifying that all terms, covenants and conditions under this Lease to be satisfied and performed have been satisfied and performed, except as shall be stated;
- (d) certifying that the other party is not in default under this Lease, or stating the defaults claimed; and
- (e) reciting the amount of advance rental, if any, paid by Tenant and the date to which rental has been paid.

#### ARTICLE 23 - SUBORDINATION

23.1 Landlord reserves the right to subject and subordinate this Lease at all times to the lien of any first mortgage or deed or trust or bond now or hereafter placed upon Landlord's interest in the Premises; provided, however, that:

- (a) Tenant's possession of the Leased Property shall not be disturbed so long as Tenant continues to perform its duties and obligations under this Lease; and
- (b) Tenant's duties and obligations under this Lease shall not be expanded nor its rights diminished by the operation of this Article,

23.2 Tenant shall attorn to the mortgagee, trustee, beneficiary or bond holder under any such mortgage, deed of trust or bond, and to the purchaser in a sale pursuant to the foreclosure thereof; provided, however, that Tenant's possession of the Premises shall not be disturbed so long as Tenant shall continue to perform its obligations under the Lease.

#### ARTICLE 24 - SURRENDER OF LEASED PROPERTY

Within ninety (90) days after the expiration of the Term, Tenant will quit and surrender the Leased Property in as good a state and condition as received, reasonable wear and tear, items that are Landlord's responsibility for repair, and damage by insurable casualty, excepted.

#### ARTICLE 25 - HOLD OVER

In the event Tenant fails to deliver possession of the Leased Property within ninety (90) days after the last day of the Term, this Lease shall be extended on a month-to-month basis until terminated by either party hereto by thirty days prior written notice. Rent due to Landlord during any such extended time shall be equal to 125% of the rent due during the prior Lease Year.

#### ARTICLE 26 - RENEWAL TERM(S)

Landlord hereby grants to Tenant the right and option to renew this Lease and extend the Term for the Renewal Term(s) upon the terms, covenants and conditions contained in this Lease. Tenant shall be deemed to have automatically exercised its option to renew unless Tenant provides written notice to Landlord of its intention not to renew the Lease at least 6 calendar months before the expiration of the then current Term.

#### ARTICLE 27 - BROKER'S COMMISSION

Landlord and Tenant each warrant to the other that they have used no brokerage Entity in connection with this Lease and that no brokerage fees or commissions are owed in connection therewith. Each party shall, and does hereby, indemnify, save harmless and agree to defend the other from any liability for any such fees and commissions.

#### ARTICLE 28 - GENERAL

**28.4 Non-Waiver.** The failure of Landlord or Tenant to enforce against the other any term, covenant or condition of this Lease shall not be deemed a waiver thereof, nor void or affect the right of the aggrieved party to enforce the same term, covenant or condition on the occasion of any subsequent breach or default; nor shall the failure of either party to exercise any option in this Lease upon any occasion arising therefor be deemed or construed to be a waiver of the right to exercise that same kind of option upon any subsequent occasion.

**28.5 No Joint Venture.** It is hereby understood and agreed that nothing contained in this Lease shall be deemed or construed as creating the relationship of principal and agent, partnership or joint venture between the parties hereto, it being agreed that no provision herein contained nor any acts of the parties herein shall be deemed to create any relationship between the parties hereto other than the relationship of Landlord and Tenant.

28.6 **Consents.** Whenever the consent or approval of either party is required herein, such consent or approval shall be in writing and shall not be unreasonably withheld or delayed, and, in all matters contained herein, both parties shall have an implied obligation of reasonableness, except as may be expressly set forth otherwise.

(a) In order to induce Tenant to enter into this Lease, Landlord hereby warrants and represents to Tenant as follows:

- i. Landlord has the authority and legal right to make, deliver and perform this Lease and has taken all necessary actions to authorize the execution, delivery and performance of this Lease; and
- ii. the execution, delivery and performance of this Lease: (A) is not prohibited by any requirement of law under any contractual obligation of Landlord; (B) will not result in a breach or default under any agreement to which Landlord is a party or to which Landlord is bound; and (C) will not violate any restrictions, court order or agreement to which Landlord is subject; and

28.8 **Governing Law.** This Lease shall be governed by, construed and enforced in accordance with the internal laws, but not the conflict of laws rules, of the State of Illinois.

28.9 **Severability.** If any term, covenant or condition of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby.

28.10 **Entire Agreement.** This Lease shall constitute the entire agreement of the parties hereto; all prior agreements between the parties, whether written or oral, are merged herein and shall be of no force and effect.

28.11 **Successors and Assigns.** The terms, covenants and conditions of this Lease shall bind and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors and assigns.

28.13 **Interpretation.** This Lease shall be construed without regard to the identity of the party who drafted the various provisions hereof. Moreover, each and every provision of this Lease shall be construed as though all parties hereto participated equally in the drafting thereof. As a result of the foregoing, any rule or construction that a document is to be construed against the drafting party shall not be applicable hereto.
