THE FIREFIGHTER'S PRAYER

***When I'm called to duty God, wherever flames may rage,
give me strength to save a life, whatever be its age.***

***Help me to embrace a little child before it is too late,
or save an older person from
the horror of that fate.***

***Enable me to be alert, to hear the weakest shout,
and quickly and efficiently to put the fire out.***

***I want to fill my calling and to give the best in me,
to guard my neighbor and protect his property.***

***And if, according to your will I have to lose my life,
bless with your protecting hand,
my children and my wife.***
