ARTICLE I

PREAMBLE

THIS AGREEMENT is entered into by and between the Village of Carpentersville, hereinafter referred to as the Employer or the Village, and the Carpentersville Firefighters Association, SEIU Local 73, hereinafter referred to as the Union. It is the purpose of this Agreement to achieve and maintain harmonious relations between the Employer and the Union; to provide for equitable and peaceful adjustments of differences which may arise, and to establish proper standards of wages, hours, and other conditions of employment as set forth herein.

ARTICLE II

RECOGNITION

Included: Part-Time Firefighters

Excluded: Chief, Assistant Chief, Captain, Battalion Chiefs, all Full-Time Firefighters in all ranks, Chief's Secretary, Part-time Department Secretary and all other Employees of the Employer

for the purposes of collective bargaining and establishing and administering this written labor agreement covering wages, rates of pay, hours and other terms and conditions set forth in this agreement.

ARTICLE III

DEFINITION OF PART-TIME FIREFIGHTER

For the purposes of this Agreement, Part-Time Firefighters (referred to herein as "Firefighter" or "Employee") shall mean any Employee of the Village of Carpentersville Fire Department who is a member of the bargaining unit and is engaged in Firefighters fire suppression, engineer, emergency medical technician or paramedic duties and who has been appointed by the Village Manager.

ARTICLE IV

MANAGEMENT RIGHTS

Section 1

The Village shall retain the sole right and authority to operate and direct the affairs of the Village including the Fire Department in all its various aspects. All of the rights, functions and prerogatives of management which the Village had prior to entering into this Agreement are reserved and retained exclusively to the Village. In no event shall any right, function or prerogative of the Village ever be deemed or construed to have been modified, diminished or impaired by any past practice or course of conduct, negotiations or bargaining proposals, or otherwise, unless expressly made part of this Agreement. Specifically, but without limiting the generality of the foregoing, it is distinctly understood and agreed that this Agreement does not affect and shall not be deemed or construed to impair or limit in any way the Village's right in its sole discretion and judgment to determine matters of inherent managerial policy, the functions of

the Employer, its mission including the nature, extent and standards of service offered to the public, its overall budget, the organizational structure and selection of new Employees, examination techniques, and to direct or reassign the working force or any individual therein; to plan, direct, control, subcontract and determine the operations or service to be conducted in or at the Fire Department or by the Employees of the Village; to meet and confer with Employees directly, either individually or collectively; to schedule, assign and transfer Employees; to hire, promote, demote, suspend, discipline or discharge; or relieve Employees due to lack of work, shortage of budgeted funds, or other legitimate reasons or to make and enforce rules and regulations except as modified or limited by this Agreement.

ARTICLE V

DEDUCTION OF DUES AND FAIR SHARE

Section 1 - Membership and Fair Share

Any present Employee covered by this Agreement shall, as a condition of employment, be required to pay a proportionate share (not to exceed the amount of Union dues) of the cost of the collective bargaining process, contract administration and pursuing matters affecting wages, hours and condition of employment. All Employees hired on or after the effective date of this Agreement and who have not made application for membership in the Union shall, on or after the thirtieth (30) day following their respective dates of hire, also be required to pay a fair share of the cost of the collective bargaining process and contract administration. Such monthly fair share service charges shall be equivalent to the uniform monthly dues and/or assessment(s) paid by a member to the Union, less that portion of said dues and assessment(s) which are or may be used for political purposes or other purposes which are excludable from a fair share fee. In no event shall the fair share fee exceed 85% of Union dues.

The Union agrees to comply with the requirements set forth in Chicago Teachers Union vs. Hudson, 106 U.S. 1066 (1986) with respect to the constitutional rights of fair share fee payers, including giving timely notice of the fee and an explanation of the basis therefore, an audited breakdown of the major categories of expenses, placing any disputed amounts in escrow pending resolution of any dispute resolution procedure for such objections. The parties agree that all such objections shall be consolidated for purpose of adjudication and the procedures and offices of the Illinois State Labor Relations Board shall be utilized for dispute resolution.

During the term of this Agreement the Village agrees to make a payroll deduction each pay period, of Union dues, fair share fee, initiation fee, and assessments, in the amount certified to be current by the Secretary-Treasurer of the Union, from the pay of those Employees covered by this Agreement who

individually request in writing that such deductions be made. The total amount of the deductions shall be remitted to the Union by the 10th day of the succeeding month after such deductions are made.

Section 3 - Involuntary Deductions

In the event that an Employee has on file a revoked dues check off authorization, the Village shall deduct the fair share fee. The Village and Union recognize the need for both maintenance of and broadening employees' training levels. Accordingly, the Village will continue to offer employees opportunities to attend said courses for certifications and/or educational classes when a member makes a request. The Chief, or his designee, will review said request. Should the request be denied, the employee will be given written notice why. The Village will compensate Employees who attend mandatory training at their regular hourly rate and may pay registration costs and fees for training approved by the Chief or his designee.

The reasonable cost of any required medical examination, diagnostic test or immunizations related to exposure for the Employee in question shall be paid by the Village.

ARTICLE XVII

Seniority shall be determined by continuous service in the Fire Department calculated from the date of employment. Employees with the employment date of May 1, 1994 shall be credited with service with the Carpentersville and Countryside Fire Protection District for purposes of layoffs and scheduling.

ARTICLE XVIII

LAYOFFS

In the case of personnel layoffs, the Employee with the least seniority shall be laid off first. Employees shall be recalled in the order of their seniority. Failure to report to work on the date designated for return shall constitute a waiver of the Employee's job reinstatement rights. No new part-time Firefighters shall be hired until all laid-off part-time Firefighters have been given the opportunity to return to work.

ARTICLE XIX

RULES AND REGULATIONS

Section 1 - Employer Rights

The Village retains its inherent management right to promulgate rules and regulations related to the conduct and operation of the Fire Department.

Section 2 - Compliance

The Union agrees that its members will comply with all reasonable rules and regulations of the Fire Department.

Section 3 - Manual of Rules and Regulations

Written rules and regulations shall be contained in a loose-leaf binder with copies being maintained in the day room of each fire station. The manual shall be indexed and not contain rules or regulations in conflict with each other. A superseded rule or regulation shall be removed from the manual on the effective date of a new rule or regulation, which supersedes it.

Section 4 - Adoption of New Rules and Regulations

New rules and regulations shall be posted in each fire station at least fourteen (14) days prior to their effective date. Prior to the effective date, they shall be posted or otherwise provided to unit members and inserted in all copies of the manual of rules and regulations. Where the Village deems necessary, training shall be provided regarding a new rule or regulation.

ARTICLE XX

DRUG AND ALCOHOL TESTING

Section 1 - General Policy Regarding Drugs and Alcohol

The use of illegal drugs and the abuse of alcohol by members of the Fire Department present unacceptable risks to the safety and well being of other Employees and the public, invite accidents and injuries, and reduce productivity. In addition, such conduct violates the reasonable expectations of the public that the Employees who serve and protect them obey the law and be fit and free from the effects of drug and alcohol abuse.

In the interest of employing persons who are fit and capable of performing their jobs, and for the safety and well-being of Employees and residents, the Village and the Association agree to establish a program that will allow the Village to take the necessary steps, including drug and/or alcohol testing, to implement a general policy regarding drugs and alcohol.

The Fire Department and its Employees have the responsibility to provide a safe work environment as well as a paramount interest in protecting the public by ensuring its Employees are physically and emotionally fit to perform their jobs at all times. For these reasons, the abuse of alcohol or the use, possession, sale or transfer of illegal drugs, cannabis or non-prescribed controlled substances by department members is strictly prohibited on or off duty. Violation of these policies will result in disciplinary action up to and including discharge.

Section 2 - Definitions

A. "Drugs" shall mean any controlled substance listed in Chapter 56 2 of the Illinois Revised Statutes, known as the Controlled Substances Act, for which the person tested does not submit a valid pre-dated prescription. In addition, it includes "designer drugs" which may not be listed in the Controlled Substances Act but which have adverse effects on perception, judgment, memory or coordination. Among the drugs covered by this policy are the following:

Opium	Methaqualone	Psilocybin-psilocin
Morphine	Tranquilizers	MDA
Heroin	Amphetamines	Chloral Hydrate
Meperidine	Phemnetrazine	Methylphenidate
Marijuana	LSD	Hash
Barbiturates	Mescaline	Hash Oil
Glutethimide	Cocaine	Steroids

B. The term "drug abuse" includes the use of any controlled substance, which has not been legally prescribed and/or dispensed.

Section 3 - Prohibitions

Firefighters shall be prohibited from:

- A. Consuming or possessing alcohol or proscribed drugs (drugs proscribed by the Controlled Substances Act) at any time during the work day on any of the Village's premises or job sites, including all Village buildings, properties, vehicles and the Employee's personal vehicle while engaged in Village business.
- B. Using (any level), selling, purchasing or delivery of any proscribed drug during the workday or when off duty.
- C. Being under the influence of alcohol (blood alcohol level of .04 and above) or proscribed drugs (any level) during the course of the workday.
- D. Failing to report to their supervisor any known adverse side effects of medication or prescription drugs which they are taking.

Violation of these prohibitions may result in disciplinary action, up to and including discharge.

Section 4 - The Administration of Tests

The Village may require an Employee to submit immediately to Breathalyzer, blood and/or urine tests on a random or specified situation basis, or if the Village otherwise determines there is probable cause for such testing. If an Employee is required to undergo such testing based on probable cause, the Village will provide the Employee with the basis for such probable cause in writing at or about the time the test is administered. If the written basis is not provided prior to the actual test, a verbal statement of the basis will be provided prior to administering the test and the written basis will be provided within three (3) days thereafter.

Random testing shall be done on dates and at times and places designated by the Fire Chief. An Association representative shall be advised of the date, time and place for the testing and the name(s) of the Employee(s) to be tested. The Association shall have the right to have an Association representative present at the test site, provided that the Association representative is available within one (1) hour of when the Association is notified. No Employee shall be subject to random testing more than once in an eighteen-month period, and no Employee shall be required to take a random test a second (or third) time during each calendar year until all other non-probationary Employees in the bargaining unit have been tested once (or twice, as the case may be).

Specified situation testing may occur in the following circumstances:

- A. During an assignment of a Firefighter to the EAP, and upon his return to duty with the Department;
- B. If a Firefighter is involved in a motor vehicle or other accident while in the performance of his duty;
- C. Upon promotion to a higher rank; or
- D. If the Firefighter has experienced excessive absenteeism or tardiness under circumstances

giving rise to a reasonable suspicion of off-duty drug or alcohol abuse.

The Village may use breathalyzer tests as well as urine and blood tests for alcohol testing. For drug/alcohol tests not involving a breathalyzer, the Village shall use only licensed clinical laboratories and shall be responsible for maintaining the proper chain of custody. The Village shall maintain a list of approved licensed clinical laboratories and shall offer the Employee a choice of one of at least two (2) such laboratories for the conduct of drug tests pursuant to this Policy. The taking of urine samples shall not be witnessed unless there is probable cause to believe the Employee is tampering with the test procedures. If the first test results in a positive finding, a confirmatory test (GC/MS or a scientifically accurate equivalent) shall be conducted.

An initial positive test result shall not be submitted to the Village unless a confirmatory test result is also positive as to the same sample. Upon request, the Village shall provide an Employee with a copy of any test results, which the Village receives with respect to such Employee.

A portion of the tested sample shall be retained by the laboratory so that the Employee may arrange for another confirmatory test (GC/MS or a scientifically accurate equivalent) to be conducted by a licensed clinical laboratory of the Employee's choosing and at the Employee's expense. Once the portion of the tested sample leaves the clinical laboratory selected by the Employer from the list maintained by the Village, the Employee shall not have access to the sample and shall be responsible for maintaining the proper chain of custody for said portion of the tested sample.

Within two (2) working days after the test is administered, the Employee may request a meeting with the Chief, with or without Union representation. At any such meeting, the Employee and/or the Union may raise issues relating to the testing, including probable cause. The Employee shall also have a one-time only option at this meeting to admit to a drug/alcohol illness and to seek assistance from the Village's Employee Assistance Program ("EAP"). If the Employee invokes this option, the test results shall not be made available to the Village.

Except where the Employee invokes the one-time only option to admit to the illness and to seek assistance from the EAP, the results of any positive tests shall be made available to the Village. If an Employee tests positive for the use of a proscribed drug, the Village may take such action as the Village in its discretion deems appropriate. The first time an Employee tests positive for substance abuse involving something other than a proscribed drug, and/or if the Employee invokes the one-time only option to admit to the illness and to seek assistance from the EAP, the Employee shall be required to enter and successfully complete the EAP, during which time the Employee may be required to submit to random testing with the understanding that if the Employee again tests positive the Village may take such action as the Village in its discretion deems appropriate. The Village in any event retains the right to take such action as the Village in its discretion deems appropriate including discharge if an Employee engages in conduct prohibited by Section 3 of this Article, or in conduct that is otherwise subject to discipline and is aggravated by drug or alcohol abuse.

Conduct prohibited by Section 3 of this Article shall be cause for discipline including termination.

Section 5 - Voluntary Requests for Assistance

Except where there is imminent danger to the life of an Employee or others and except where the Employee has invoked the one-time only option to admit to the illness and to seek the assistance provided for in Section 4, above, the administrator of the Village's EAP shall maintain in strict confidentiality the fact that an employee has voluntarily sought assistance from the Village's EAP. Seeking confidential assistance from the Village's EAP shall not be grounds for disciplinary action; however, the seeking of such confidential assistance also shall not insulate an employee from the consequences of engaging in conduct prohibited by Section 3

Section 6 - Expungement

If an Employee is ordered to take a drug or alcohol test pursuant to this Policy, and the findings on either the initial or confirmatory test are negative, the test results as well as all records of and references to the test and/or the order to take the test shall be expunged from the Employee's personnel records no later than two years after the date of the test, unless the Employee has tested positive on another occasion within the two-year period.

ARTICLE XXI

DISCIPLINE AND DISCHARGE

Section 1 - Discipline and Discharge

The parties recognize the principles of progressive and corrective discipline. Disciplinary action or measures may include the following:

- A. Oral reprimand
- B. Written reprimand
- C. Suspension (notice to be given in writing)
- D. Discharge

Disciplinary action may be imposed upon a non-Probationary employee only for just cause. Disciplinary action or measure imposed upon a non-Probationary employee may be processed as a grievance only as set forth in the section on Disciplinary Grievances. For purposes of this Agreement, a Probationary Employee is an employee who has not completed one year of service in the Fire Department. Probationary employees may be disciplined or discharged at will.

If the Village has reason to reprimand an Employee, it shall be done in a manner that will not embarrass the Employee before other Employees or the public.

Section 2 - Limitation

The Village's agreement to use progressive and corrective disciplinary action does not prohibit the Village in any case from imposing discipline which is more or less severe than set forth above.

Section 3 - Investigatory Interviews

Where the Village desires to conduct an investigatory interview of an Employee where the results of the interview might result in discipline, the Village agrees to first inform the Employee that the Employee has

a right to Union representation at such interview. If the Employee desires such Union representation, no interview shall take place without the presence of a Union representative. The role of the Union representative is limited to assisting the Employee, clarifying the facts and suggesting other Employees who may have knowledge of the facts.

ARTICLE XXII

PERSONNEL FILES

Section 1 - Personnel Files

The Village shall keep a personnel file for each Employee within the bargaining unit, which may include information kept in working files.

Section 2 - Inspection

Within five (5) days of a written request of an Employee made to the Chief, the Village shall permit an Employee to inspect his personnel file subject to the following:

- A. Such inspection shall occur within a reasonable time following receipt of the request.
- B. Such inspection shall occur during daytime working hours Monday through Friday upon reasonable request.
- C. The Employee shall not be permitted to remove any part of the personnel file from the premises but may obtain copies of any information contained therein upon payment for the cost of copying.
- D. Upon written authorization by the requesting Employee, in cases where such Employee has a written grievance pending, and is inspecting his file with respect to such grievance, that Employee may have a representative of the Union present during such inspection and/or may designate in such written authorization that said representative may inspect his/her personnel file subject to the procedures contained in this Article.
- E. Pre-employment information, such as reference reports, credit checks or information provided the Village with a specific request that it remain confidential, shall not be subject to inspection or copying.

Section 3 - Notification

The Employees shall be given written notice within a reasonable time (but not more than three (3) working days) by the Village when a written reprimand or other disciplinary documentation is permanently placed in their personnel file.

Section 4 - Illinois Access To Personnel Records Act

The Village will comply with the Illinois Access To Personnel Records Act in its entirety.

ARTICLE XXIII

GRIEVANCE PROCEDURE

Section 1 – Grievance Defined

A grievance for the purpose of this Agreement is defined as a difference of opinion between an Employee covered by this Agreement and the Village with respect to the meaning or application of the express terms of this Agreement.

Section 2 - Procedure

Grievances shall be settled in the following manner. If a grievance is not filed or appealed to any step of the grievance procedure or arbitration within the time limits set forth herein, it shall be considered to have been settled on the basis of the Village's last answer. If the Village does not answer the grievance within the applicable time limit, the grievance shall be denied at that step at the time such answer is due.

Step I

The Employee concerned must submit a grievance in writing to the Employee's Shift Commander within 7 (seven) days of the first instance of the alleged act or omission, which is the subject of the grievance. If not raised within the applicable time limit, the grievance shall be deemed to have been waived and shall not be processed further. The Shift Commander shall attempt to adjust the grievance at that time and render a written decision within 14 calendar days.

Step II

If the grievance is not settled at Step I, the grievance may be submitted in writing by the Union only to the Fire Chief within 7 calendar days that shall render a written decision within 14 calendar days after the receipt of the grievance.

Step III

If the grievance is not settled at Step II, the grievance may be submitted by the Union only within 7 calendar days to the Village Manager who shall render a written decision within 14 calendar days after the receipt of the grievance.

Step IV

If the grievance is not settled in accordance with the foregoing procedure, the Union may refer the grievance to arbitration by giving written notice to the Village Manager within 28 calendar days after receipt of the Village's answer in Step III (or if no answer, the last date for such answer). The parties shall attempt to agree upon an arbitrator promptly. In the event the parties are unable to agree upon an arbitrator, they shall jointly request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators from Illinois, Wisconsin or Indiana who are members of the National Academy of Arbitrators. The parties shall alternatively strike one name at a time from the list until one name remains, with a coin toss being used to determine who strikes first; providing that either party, before

striking any names, shall have the right to reject one panel of arbitrators. The arbitrator shall be notified of his/her selection by a joint letter from the Village and Union requesting that he/she set a time and place for hearing, subject to the availability of the Village and Union representatives. The arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He/she shall consider and decide only the specific issue submitted to him/her and his/her award and decision shall be based solely upon his/her interpretation of the meaning or application of the terms of this Agreement to the facts of the grievance presented. The decision of the arbitrator shall be final and binding. The costs of the arbitration proceeding, including the fee and expenses of the arbitrator, shall be divided equally between the Village and the Union.

Section 3 - Representation

Grievances may be processed by the Union on behalf of an Employee or on behalf of a group of Employees. The grievant or one grievant representing a group of grievants may be present at any step of the grievance procedure, and the Employee is entitled to Union representation at each and every step of the grievance procedure upon his or her request. Grievances may be filed on behalf of two (2) or more Employees by the Union only, and only if the same facts, issues and requested remedy apply to all Employees in the group.

Section 4 - Subject Matter

Only one subject matter shall be covered in any one grievance. A grievance shall contain a statement of the grievant's position, the Article and Section of the Agreement allegedly violated, the date of the alleged violations, the relief sought, the signature of the grieving Employee(s), and the date of filing. It shall be prepared on the grievance form agreed to as part of this Agreement.

Section 5 - Time Limitation

Grievances may be withdrawn at any step of the grievance procedure without precedent. Time limits may be extended by mutual agreement.

Section 6 - Investigation

One steward shall be permitted reasonable time during his shift to investigate established grievances on the Village's property without loss of pay provided that the investigations shall not interfere with his regular duties.

Section 7 - Grievance Meeting

A maximum of two (2) Employees (the grievant and/or Union steward) per work shift shall be excused from work without loss of pay to participate in a Step II or Step III grievance meeting. The Employee(s) shall only be excused for the amount of time reasonably required to present the grievance. The Employee(s) shall not be paid for any time during which a grievance meeting occurs outside of the Employee's work shift. In the event of a grievance, the Employee's assigned work task shall be performed first and the grievance

filed later, unless the Employee reasonably believes the assignment endangers his safety. In no event shall Employees be permitted to participate in grievance meetings if it will interfere with his regular duties.
