Manager Rooney stated the playground equipment and installation are included as improvements funded by the OSLAD grant. However, due to the suspension of the grant funding at the state level with no indication when or if the funds would be released in the near future and with the Village Board and public’s desire to have this area of the park completed Riverboat Grant funding could be a revenue source to install the playground equipment sooner rather than later. Manager Rooney indicated if funding were to be received by the Village from the OSLAD Grant, the funding allocated for the playground equipment could be used for another improvement in the Park. Discussion

followed regarding the timeline of granting the award and if received, the installation of the equipment.

SUBJECT: Special Event Fee Waiver Request – Dundee Township Park District Donuts for Dad 5K Run

BACKGROUND

The Park District submitted an application for a “Donuts for Dad 5K Run” planned for June 12, 2016 and requested a waiver of the fee. The Dundee Township Park District has been conducting an annual 5K Run for the past ten years through Carpentersville and East Dundee. In the past, the application for this event has always been approved by staff and the \$150.00 fee for the event has been waived by the Village Board, as requested by Dundee Township.

ANALYSIS

The Park District submitted the completed Special Events Application on April 13, 2016, and the application has been routed to the appropriate Village departments for review and approval. Attached is the application and race route.

The waiver of the \$150.00 fee for this event by the Village Board would be consistent with Board guidance.

FISCAL IMPACT

The Donuts for Dads 5K Run sponsored by Dundee Township will utilize Village manpower from the Police Department already assigned to work in the morning of the event. Therefore, therefore, it is currently projected that there will be no overtime incurred. Therefore, the primary fiscal impact upon the Village will only be the loss of the \$150.00 fee.

DEPARTMENT RECOMMENDATION

Staff recommends that the Village Bboard of Trustees approve the use of Village streets for the permit to be issued and waive the \$150.00 special event permit fee for the Dundee Township Park District Donuts for Dads 5k Run on June 12, 2016.

BOARD REPORT

TO: Village President and Board of Trustees

FROM: John Skillman, Fire Chief

DATE: May 3, 2016

RE: Resolution Declaring Certain Ambulance Fees Funds Uncollectible

BACKGROUND

At the April 12, 2016 Audit and Finance Commission meeting staff was directed to write-off all ambulance fees funds deemed uncollectible with a service date through 2014 and to attempt to collect on remaining delinquent accounts. In late 2013, the Village entered into an agreement with A/R Concepts collection agency to assist in the collection of ambulance fees "uncollectible" funds. A recent review of aged accounts has determined that after diligent efforts to collect on delinquent, uncollectible accounts it is necessary for the Village to write-off the funds so the remaining balance will accurately reflect valid current receivables.

ANALYSIS

The total dollar amounts by year are as follows:

2013=\$ 150,119.01

2014=\$ 153,521.32

For a total dollar amount of \$303,640.33

FISCAL IMPACT

It was determined in previous audits that these dollars would be nominal if collected due to the low percentage of collection history and were not booked as a receivable. Therefore there is no fiscal impact to the Village. Future plans are to submit uncollectible ambulance fees accounts for write-off annually. Historically, the Village of Carpentersville has received on an average of \$550,000 in the last few years. The village expects to receive net amount (net of estimated uncollectible amount of \$150,000) of \$750,000 in Ambulance fees with the increased rates for FY 2016.

DEPARTMENT RECOMMENDATION

It is recommended that the Village Board approve the corresponding resolution authorizing the write-off of ambulance fees uncollectible funds through 2014.

RESOLUTION NO. _____

LICENSE AGREEMENT

THIS LICENSE AGREEMENT (“*Agreement*”), dated as of this ____ day of _____, 2016 (“*Effective Date*”), by and between the **VILLAGE OF CARPENTERSVILLE**, an Illinois home rule municipal corporation (“*Village*”), **MEADOWDALE SHOPPING CENTER, INC.**, an Illinois corporation (“*Meadowdale*”), and **CHICAGO TITLE LAND TRUST COMPANY**, not personally, but as Trustee under Trust Agreement dated September 15, 1996, and known as Trust No. 120595 (“*Land Trust*”) (collectively, Meadowdale and Land Trust are the “*Licensee*”).

NOW, THEREFORE, in consideration of the recitals, mutual covenants, and agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties do hereby mutually agree as follows:

SECTION 1. RECITALS.

A. Meadowdale is the record title owner of the following tracts of real property:

1. An approximately 38,350-square-foot tract, commonly known as 1002 South Kennedy Drive, depicted in **Exhibit E** to this Agreement and legally described in **Exhibit A** to this Agreement (“*Northern Tract*”), which Northern Tract is currently subject to a ground lease for an AutoZone store;

2. An approximately 25,500-square-foot tract, commonly known as 1000 South Kennedy Drive, depicted in **Exhibit E** to this Agreement and legally described in **Exhibit B** to this Agreement (“*Southern Tract*”), which Southern Tract is currently subject to a ground lease for a Taco Bell restaurant; and

3. Several tracts collectively comprising approximately 30 acres, commonly known as the Meadowdale Shopping Center, depicted in **Exhibit E** to this Agreement and legally described in **Exhibit C** to this Agreement (collectively, the “*Center Tract*”).

B. Land Trust is the record title owner of an approximately two-acre tract, located immediately west of the Center Tract and adjacent to and east of the L.W. Besinger Drive right-of-way, depicted in **Exhibit E** to this Agreement and legally described in **Exhibit D** to this Agreement (“**Land Trust Tract**”).

C. The Northern Tract and the Southern Tract are each improved with a commercial building, off-street parking spaces, and other ancillary improvements. The Center Tract is improved in part with the Meadowdale Shopping Center mall, off-street parking spaces, and other ancillary improvements. The Land Trust Tract is vacant.

D. Wal-Mart Real Estate Business Trust (“**Wal-Mart**”) is the record title owner of that certain real property consisting of approximately ____ acres, located near the southwest corner of John F. Kennedy Drive and Lake Marian Road in the Village, and depicted in **Exhibit E** to this Agreement (“**Wal-Mart Property**”).

E. Wal-Mart is currently constructing an approximately 185,000-square-foot Wal-Mart Supercenter retail store, an automobile fuel/filling station, off-street parking spaces, and other ancillary improvements on the Wal-Mart Property (collectively, the “**Wal-Mart Development**”).

F. In order to facilitate the Wal-Mart Development, and as required by the applicable provisions of the “Carpentersville Municipal Code,” as amended (“**Village Code**”), Wal-Mart sought approval from the Village of, and the Village President and Board of Trustees have approved, a final plat of subdivision for the Wal-Mart Property, in the form attached to this Agreement as **Exhibit F** (“**Final Plat**”). Those certain properties designated in the Final Plat as Lot 1 and Outlot A collectively constitute the Wal-Mart Property.

G. The Final Plat depicts a 66-foot-wide strip of land to be dedicated as a right-of-way to the Village, which right-of-way is identified on the Final Plat as “**Ball Avenue**”.

H. As of the Effective Date of this Agreement, the northern half of Ball Avenue is owned by Wal-Mart, and the southern half of Ball Avenue is owned in part by Meadowdale and in part by Land Trust. Portions of the southern half of Ball Avenue are located within the current boundaries of the Southern Tract, the Center Tract, and the Land Trust Tract.

I. Meadowdale, or its ground lessee, has improved and maintained within a portion of Ball Avenue (“**Licensed Premises**”) certain parking and landscaping improvements, and a freestanding sign (collectively, the “**Existing Improvements**”), for the benefit of the Southern Tract and the Center Tract. The Licensed Premises and the Existing Improvements are depicted and described in greater detail in **Exhibit G** to this Agreement.

J. There currently exists a driveway for vehicular ingress and egress between Ball Avenue and the Northern Tract, a driveway for vehicular ingress and egress between Ball Avenue and the Southern Tract, and two existing accessways for vehicular ingress and egress between Ball Avenue and the Center Tract, all as depicted in **Exhibit G** to this Agreement (collectively, the “**Existing Driveways**”).

K. Because Meadowdale and Land Trust currently owns portions of Ball Avenue, the Final Plat cannot be recorded or become effective except upon the execution thereof by each of Meadowdale and Land Trust. Upon recordation of the Final Plat, all of Ball Avenue will be dedicated to, and will become the property of, the Village.

L. Meadowdale desires to maintain the Existing Improvements, and to preserve the Existing Driveways for vehicular ingress and egress, following the recordation of the Final Plat.

M. The Village, Meadowdale, and Land Trust (collectively, the “*Parties*”) desire to enter into this Agreement to permit the continued maintenance and use of the Existing Improvements and the Existing Driveways, and to provide for the dedication and improvement of Ball Avenue.

SECTION 2. EXECUTION OF FINAL PLAT.

Meadowdale and Land Trust each covenant and agree that, not later than three business days after the Effective Date of this Agreement, each of Meadowdale and Land Trust will execute copies of the original, recordable mylar of the Final Plat as necessary to permit the recording of such Final Plat pursuant to applicable law and regulations. Meadowdale and Land Trust each acknowledge and agree that, upon its execution, the Final Plat will be recorded in the Office of the Kane County Recorder of Deeds. The Parties acknowledge and agree that Meadowdale does not intend to obtain any full or partial release of its ground lease with the ground lessee of the Southern Tract in connection with the execution by Meadowdale of the Final Plat.

SECTION 3. GRANT OF LICENSE; LIMITATION OF INTEREST.

A. Grant of License. Subject to the terms and conditions set forth in this Agreement, the Village hereby grants to Licensee, and Licensee hereby accepts, an exclusive license, for the benefit of the Northern Tract, the Southern Tract, the Center Tract, and the Land Trust Tract (collectively, the “*Property*”), for the maintenance and use of the Existing Improvements within the Licensed Premises (“*License*”). The License is irrevocable, except as explicitly provided in this Agreement.

B. Limitation of Interest. From and after the date of recordation of the Final Plat in the Office of the Kane County Recorder of Deeds, except for the License granted pursuant to this Agreement, Licensee will not have any legal, beneficial, or equitable interest, whether by adverse possession or prescription or otherwise, in the Licensed Premises or in Ball Avenue.

C. As-Is, Where-Is. Licensee hereby accepts the Licensed Premises in their condition at the time of the execution of this Agreement, WHERE-IS and AS-IS, and subject to applicable requirements of law. Licensee acknowledges and agrees that: (i) the Village has made no representation or warranty as to the suitability of the Licensed Premises for Licensee’s intended purposes; and (ii) except as expressly provided in this Agreement, the Village will have no responsibility to maintain the Licensed Premises in any particular condition or manner. Licensee waives any implied warranty that the Licensed Premises are or will be suitable for Licensee’s intended purposes.

SECTION 4. MAINTENANCE, USE, AND IMPROVEMENT OF LICENSED PREMISES AND BALL AVENUE.

A. Maintenance and Use of Existing Improvements.

1. Acknowledgment of Licensee's Obligations. Licensee acknowledges and agrees that, except as expressly provided in Section 4.B.3 and the other provisions of this Agreement to the contrary, Licensee, and not the Village, is and will be solely responsible for the general maintenance of the Existing Improvements.

2. Maintenance in Proper and Working Condition. Licensee must keep the Existing Improvements at all times in their proper condition for their intended use and in a condition of good repair.

3. Compliance with Laws. Licensee must keep the Existing Improvements in compliance at all times with all applicable federal, state and Village laws, statutes, codes, ordinances, resolutions, rules, and regulations, as the same have been or may be amended from time to time.

4. Modifications and Improvements. Licensee may not modify or expand any of the Existing Improvements, nor construct or install any new improvements within the Licensed Premises, except upon the prior written approval of the Village Manager, in his or her sole and absolute discretion.

B. Maintenance and Use of Ball Avenue.

1. General. The Village hereby reserves the right to use, maintain and improve Ball Avenue in any manner that will not unreasonably prevent, impede, or interfere with the exercise by Licensee of the rights granted pursuant to this Agreement.

2. Non-Exclusive Use. The Village will have the right to grant other non-exclusive licenses or easements, including, without limitation, licenses or easements for parking or utility purposes, over, along, upon, or across Ball Avenue, provided that such grants by the Village may not include the Licensed Premises nor unreasonably prevent, impede, or interfere with the exercise by Licensee of the rights granted pursuant to this Agreement. The Village further reserves its right of full and normal access to the Licensed Premises for the maintenance of any existing or future utility located thereon.

3. Snow Removal and Roadway Maintenance. The Village acknowledges and agrees that the Village, and not Licensee, will be solely responsible for the general maintenance (including, without limitation, snow removal) of all roadway improvements within Ball Avenue in accordance with the Village's usual and customary maintenance program for other Village-owned rights-of-way. The Parties acknowledge and agree that, for purposes of this Section 4.B.3, the "roadway improvements" do not include the off-street parking spaces located on the Licensed Premises, and that the maintenance of such Licensed Premises will be and remain the responsibility of Licensee.

4. Roadway Improvement. The Parties acknowledge and agree that: (a) not later than the date that is one year after the Effective Date of this Agreement, the Village will cause the westernmost portion of Ball Avenue (as designated on **Exhibit F**) to be improved in accordance with the requirements of Chapter 17.20 of the Village Code, which improvement will include, without limitation, paving, striping, the installation of sidewalks, the installation of street lighting, the installation of right-of-way landscaping in accordance with the requirements of Section 16.80.070 of the Village Code, and the installation of curbs and gutters; and (b) the Village will not require the easternmost portion of Ball Avenue (as designated on **Exhibit F**) to be improved in accordance with the requirements of Chapter 17.20 of the Village Code during the Term of this Agreement.

SECTION 5. LIENS.

Licensee hereby represents and warrants that it will take all necessary action to keep all portions of the Licensed Premises free and clear of all liens, claims, and demands, including without limitation mechanic's liens, in connection with any work performed by Licensee or its agents on the Licensed Premises.

SECTION 6. EXISTING DRIVEWAYS ACCESS.

The Village covenants and agrees that, throughout the Term of this Agreement: (a) the Village will permit Meadowdale and its agents, representatives, assigns, officers, employees, tenants, and invitees to use the Existing Driveways for vehicular ingress and egress between Ball Avenue and the Northern, Southern, and Center Tracts; and (b) the Village will not obstruct the Existing Driveways except as necessary in the event of an emergency.

SECTION 7. ZONING STATUS.

A. Legal Non-Conforming Status. The Village acknowledges and agrees that, to the extent that the recordation of the Final Plat or the dedication of Ball Avenue causes the Northern Tract or the Southern Tract to become non-compliant with the lot size, setback, parking, and lot coverage provisions of the Village zoning ordinance (currently codified as Title 16 of the Village Code), the Village will consider the Northern Tract and the Southern Tract to be legal non-conforming in accordance with, and pursuant to, the lot size, setback, parking, and lot coverage provisions of the zoning ordinance. Specifically, and without limitation of the foregoing, the Village acknowledges and agrees that the dedication of Ball Avenue itself does not and will not require the relocation or redevelopment of either of the principal structures existing as of the Effective Date of this Agreement on either the Northern Tract or the Southern Tract (each an “*Existing Structure*”). As a matter of clarification and notwithstanding any provision of this Agreement to the contrary, in the event of any alteration of any Existing Improvement or the closure or alteration of any Existing Driveway required by IDOT as contemplated by Section 9.A.2 of this Agreement, such alteration or closure will not require any additional compliance by the remainder of the subject Tract (not including any portion dedicated as Ball Avenue) with regard to its legal non-conforming status.

B. Alterations or Relocation of Existing Structures. Subject to the nonconforming use regulations of the Village zoning ordinance, any alteration of either Existing Structure with respect to height or area, or any relocation of either Existing Structure, or relocation of the drive-through window of the Existing Structure on the Southern Tract, must conform with the applicable provisions of the zoning ordinance, even if such alteration or relocation does not constitute “demolition” for purposes of Section 9.A of this Agreement.

SECTION 8. LIABILITY AND INDEMNITY OF VILLAGE.

A. Village Review. Meadowdale and Land Trust each acknowledge and agree that the Village is not, and will not be, in any way liable for any damages or injuries that may be sustained as the result of the Village’s review and approval of any plans for the Licensed Premises, or the issuance of any approvals, permits, certificates, or acceptances for the use or maintenance of the Licensed Premises, and that the Village’s review and approval of any such plans and the Licensed Premises and issuance of any such approvals, permits, certificates, or acceptances does not, and will not, in any way, be deemed to insure Meadowdale or Land Trust, or any of their respective successors, assigns, tenants and sub-licensees, or any third party, against damage or injury of any kind at any time.

B. Indemnity. Meadowdale agrees to, and does hereby, hold harmless and indemnify the Village and all Village elected or appointed officials, officers, employees, agents, representatives, engineers, and attorneys, from any and all claims that may be asserted at any time against any of those parties in connection with: (i) use or maintenance of any or all of the Existing Improvements (other than the roadway improvements); or (ii) Meadowdale’s and Land Trust’s performance of, or failure to perform, their respective obligations under this Agreement (collectively, “*Indemnified Claims*”), whether or not any such Indemnified Claim is due or claimed to be due in whole or in part to the active, passive, or concurrent negligence or willful misconduct or fault of either Meadowdale or Land Trust; provided, however, that this indemnity

will not apply to willful misconduct or gross negligence on the part of the Village. The Parties acknowledge and agree that, for purposes of this Section 8.B, the “roadway improvements” do not include the off-street parking spaces located on the Licensed Premises

C. Defense Expense. Meadowdale, only as to its or Land Trust’s acts or omissions, hereby agree to pay all expenses, including legal fees and administrative expenses, incurred by the Village in defending itself with regard to any and all of the Indemnified Claims.

SECTION 9. TERMINATION.

A. Term. The term of this Agreement ("*Term*") will commence on the Effective Date of this Agreement, and will expire on the earlier to occur of: (1) the demolition of 50% or more of either of the Existing Structures, in which event this Agreement will terminate only with respect to the Northern Tract or the Southern Tract, as the case may be, and will remain in full force and effect with respect to the other Tracts; (2) receipt of a written notice from the Illinois Department of Transportation ("*IDOT*") that one or more of the Existing Improvements or Existing Driveways must be altered or removed (provided, however, that this Agreement will not terminate solely because IDOT directs the alteration or removal of any sign or light pole), in which event this Agreement will terminate only with respect to that Existing Improvement or Driveway, and will remain in full force and effect with respect to the remaining Existing Improvements and Driveways; (3) termination by the Village due to the failure by either Meadowdale or Land Trust to observe and fully perform any of their respective obligations under this Agreement; provided, however, that the Village may not terminate this Agreement for such failure unless such failure is not cured within 30 days after receipt of written notice from the Village; and (4) mutual termination by Meadowdale and Land Trust at any time after the recordation of the Final Plat in the Office of the Kane County Recorder of Deeds. For purposes of this Section 9.A, interior remodeling or renovation of either Existing Structure, or the relocation of the drive-through window of the Existing Structure on the Southern Tract, does not constitute demolition. The Parties acknowledge and agree that, in the event of termination of this Agreement, they will cooperate in good faith to provide for appropriate vehicular access between Ball Avenue and the Southern, Northern, and Central Tracts.

B. Survival of Obligations. All covenants, agreements, and obligations of the Parties pursuant to this Agreement that have not been fully performed as of the termination of this Agreement will survive such termination, including, without limitation, the zoning status agreements set forth in Section 7 of this Agreement, and the liability and indemnity obligations set forth in Section 8 of this Agreement.

SECTION 10. ENFORCEMENT.

A. Enforcement. The Parties may, in law or in equity, by suit, action, mandamus or any other proceeding, including, without limitation, specific performance, enforce or compel the performance of this Agreement; provided, however, that Meadowdale and Land Trust each agree that they will not seek, and do not have the right to seek, recovery of a judgment for monetary damages against any Village elected or appointed officials, agents, representatives, attorneys or employees on account of the negotiation, execution, or breach of any of the terms and conditions of this Agreement.

B. Prevailing Party. In the event of a judicial proceeding brought by one Party against the other Party or Parties, the prevailing Party or Parties in the judicial proceeding will be entitled to reimbursement from the unsuccessful Party or Parties of all costs and expenses, including reasonable attorneys' fees, incurred in connection with the judicial proceeding.

SECTION 11. COVENANTS RUNNING WITH THE LAND.

The License and other rights granted in this Agreement, the restrictions imposed by this Agreement, and the agreements and covenants contained in this Agreement are rights, restrictions, agreements, and covenants running with the land, will be recorded against the Property, and will be binding upon and inure to the benefit of each of the Parties and their respective heirs, executors, administrators, grantees, successors, assigns, agents, licensees, invitees, and representatives, including, without limitation, all subsequent owners of the Property, or any portion thereof, and all persons claiming under them. If any of the rights, restrictions, agreements, or covenants created by this Agreement would otherwise be unlawful or void for violation of (a) the rule against perpetuities or some analogous statutory provision, (b) the rule restricting restraints on alienation, or (c) any other statutory or common law rules imposing time limits, then such rights, restrictions, agreements, or covenants will continue only until 21 years after the death of the last survivor of the now living lawful descendants of the current President of the United States.

SECTION 12. GENERAL PROVISIONS.

A. Notices. All notices required or permitted to be given under this Agreement must be given by the parties by: (i) personal delivery; (ii) deposit in the United States mail, enclosed in a sealed envelope with first class postage thereon; or (iii) deposit with a nationally recognized overnight delivery service, addressed as stated in this Section 12.A. The address of any Party may be changed by written notice to the other Parties. Any mailed notice will be deemed to have been given and received within three days after the same has been mailed and any notice given by overnight courier will be deemed to have been given and received within 24 hours after deposit. B. Time of the Essence. Time is of the essence in the performance of all of the terms and conditions of this Agreement.

C. Amendments. No amendment or modification to this Agreement will be effective until it is reduced to writing and approved and executed by all parties to this Agreement in accordance with all applicable statutory procedures.

D. Authority To Execute. The Village hereby warrants and represents to Meadowdale and Land Trust that the persons executing this Agreement on its behalf have been properly authorized to do so by the Village. Meadowdale hereby warrants and represents to the Village and Land Trust that Meadowdale has the full and complete right, power, and authority to enter into this Agreement and to agree to the terms, provisions, and conditions set forth in this Agreement, and that the persons executing this Agreement on its behalf have been properly authorized to do so by Meadowdale. E. Rights Cumulative. Unless expressly provided to the contrary in this Agreement, each and every one of the rights, remedies, and benefits provided by this Agreement will be cumulative and will not be exclusive of any other such rights, remedies, and benefits allowed by law.

F. Non-Waiver. The Village will be under no obligation to exercise any of the rights granted to it in this Agreement. The failure of the Village to exercise at any time any right granted to the Village is not to be deemed or construed to be a waiver of that right, nor will the failure void or affect the Village's right to enforce that right or any other right.

G. Governing Law. This Agreement will be governed by, construed, and enforced in accordance with the internal laws, but not the conflicts of laws rules, of the State of Illinois.

H. Severability. If any provision of this Agreement is construed or held to be void, invalid, illegal, or unenforceable in any respect, the remaining part of that provision and the remaining provisions of this Agreement are not to be affected, impaired, or invalidated thereby, but are to remain in full force and effect. The unenforceability of any provision of this Agreement will not affect the enforceability of that provision in any other situation.

I. Entire Agreement. This Agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements and negotiations between the parties, whether written or oral, relating to the subject matter of this Agreement.

J. Interpretation. This Agreement is to be construed without regard to the identity of the party who drafted the various provisions of this Agreement. Moreover, each and every provision of this Agreement is to be construed as though all parties participated equally in the drafting of this Agreement. As a result of the foregoing, any rule or construction that a document is to be construed against the drafting party will not be applicable to this Agreement.

K. Exhibits. Exhibits A through G attached hereto are, by this reference, incorporated in and made a part of this Agreement. In the event of a conflict between an Exhibit and the text of this Agreement, the text of this Agreement will control.

L. No Third Party Beneficiaries. No claim as a third party beneficiary under this Agreement by any person may be made, or will be valid, against any of the Parties.

M. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed to constitute a duly authorized original.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed, effective as of the date first written above.
