She said the app will also list community special events and business events. She requested the Board provide a list of useful resources to help village businesses. Hernandez talked about the quarterly economic and legislative meetings they hosted, as well as speakers and updates for the region. She said they are trying to bring back the Mayor’s Breakfast, which hasn’t been done in almost 10 years – the first one is September 9th at Randall Oaks in West Dundee. Hernandez discussed the annual Community Service Award event. She said she will send a timeline and checklist to the village for more information. She thanked the Village for their continued partnership with the Chamber. President Ritter said Marc Huber will be the contact point.

Carpentersville Rotary Presentation – President Dave Nutt

Nutt spoke about Operation Warm where the Rotary provides coats, hats, and mittens to children in the village. He said in August they are hosting a Corn Boil at the Civil War Reenactment and will be at the Raceway Woods 5K to fundraise. Nutt said they are always looking for more Rotary Club members, and that they meet at Denny’s by Spring Hill Mall on Wednesday mornings at 7 a.m. He introduced Lauren Rosenthal to discuss the Little Free Library. She said the purpose is to give passersby a chance to acquire a book at no charge and to donate a book. She said this fits with the Rotary’s goal of education and literacy. Rosenthal said the Carpentersville Village Hall meets the criteria as a place to put it as it is accessible to foot traffic and is located in a community that may lack books. They intend to stock the library with both English and Spanish books. A Rotary member will do weekly checks on the Little Free Library. There is only one other located in Carpentersville at Sunny Elementary.

Manager Rooney explained that staff believes it can be located on the south end of Village Hall. Trustee Stephens commented that she has driven past another Little Free Library and usually sees someone near it. She thinks it is a great idea. President Ritter and the Trustees all agreed that this sounds like a good plan and they are ready to move forward with the Rotary.

Assistant Public Works Director Gray

Gray finished the rating of the ash trees, with 1s being in very good shape and 5s being the worst. He spoke of the trees being treated in the Silverstone area. He said they will ask the Audit & Finance Commission for funding and permission to remove the ash trees rated 3-5s this fall, in-house. Gray mentioned they also will be looking to continue replacing trees. He said they are over halfway done with replacing the trees. Trustee Schultz and Gray discussed removal of trees in Keith Andres Park.

Manager Rooney mentioned that although Village Clerk Wilde has already officially sworn Fire Chief John-Paul Schilling in, he will be ceremonially sworn in on July 19th when his wife and daughter can attend.

Park Committee and Special Events Commission

Trustee Schultz thanked the Parks Committee for help planting a butterfly garden at the Jerri Hoffman School. She said they are taking a hiatus for a few months. She said “Minions” will be shown in Carpenter Park at 8:20pm. Trustee Schultz said Saturday, July 21st is Slide the City on Maple Avenue and tickets are still for sale through the day of the event. She said the Civil War event is in about 4 weeks, and they’re finalizing details.

Business Development Commission

Trustee Humpfer said they met June 28th, where they went over Village branding, new businesses in town, and potential new software to help Community Development and Economic Development. He said their next meeting will be July 26th, at 5:00pm, 2nd floor of Village Hall.
